Dear Shaun Goucher:

We periodically review your policy to ensure the information we have on file is up-to-date. You previously indicated that one or more of your vehicles are driven less than the average for drivers in California.

In order to ensure that your policy is correctly rated, please complete, sign, and return the form on the reverse side of this letter if you drive your vehicle(s) other than 12,000 miles per year.

For your convenience, you may send your completed form in the enclosed envelope or via fax to 1-855-810-0647. If we do not receive a completed and signed form **within the next 30 days**, the annual mileage for the vehicle(s) will be adjusted to 12,000 miles per year.

You will receive an email confirmation once your completed and signed form has been processed. It is not necessary to call us with this information as we will still require the completed and signed form.

Sincerely,

Charlotte S | Customer Service | 1-800-841-3000

California Annual Mileage and Odometer Certification
